Madey 22 November

Dear Elizabeth McWilliam,

Thank you for your letter of 13 November, and
for copies of some of your other writings about
Quarriers and your terrible experiences there.
I'm so sorry.

I'm going to be updating the Quarriers
book next year, and I may want to get in
touch with you about that, and will phone you.
Thank you again. I'll be in touch.

Anna
